SENPA/SOHO Expo Code of Conduct

We are looking forward to seeing you at SOHO Expo, December 2-5, 2021 at the Gaylord Palms Resort and Convention Center in Orlando, FL. We are excited to be able to produce an event that will allow you to meet safely in person with retailers, educators, and exhibitors in the natural products industry. We know that being able to network and obtain first-hand product information is extremely important to you, and you can rest assured that along with that, we are taking your health and safety importantly as well. To assist in maintaining a safe show and environment for all involved, we have created the SOHO Expo “Code of Conduct” to clarify what you can expect on site at the show and our expectations of all those attending. *(*Please note that the items on this list may change due to the fluid situation with Covid-19)*
