Show Guidelines (Page 2 of 2)

2024 Exhibitor Kit

SMOKING POLICY:

Hilton DFW Lakes Executive Conference Center is a smoke-free environment. Smoking is permitted in designated areas only.

MEETINGS, EVENTS AND SEMINARS:

All meetings, events and seminars must be registered with Show Management. Meetings, events and seminars not designated or organized as a part of the show, are not permitted during show floor hours or SOHO Healthfest hosted events. Exhibitors wishing to organize an event must do so through Show Management.

PHOTOGRAPHY/VIDEOGRAPHY:

Exhibitors are permitted to photograph and/or videotape their own booth. Working members of the press are required to check in with SOHO Healthfest Show Management to receive an official SOHO Healthfest Press Badge and be escorted by the show staff in order to photograph and/or videotape at the show. No other photography or videography is permitted. Exhibitors who do not want the press to photograph or videotape their booth should inform the SOHO Healthfest Show Management-onsite.

PRESS & PUBLIC RELATIONS:

All Press will be validated before being issued a badge. Please remember we will have Press attending the show. We advise you to have a spokesperson appointed. Every effort will be made to properly identify and escort the Press. Please be responsible with the remarks and the literature you disseminate.

STROLLERS:

Strollers must be occupied by a child at all times.

SALES:

SOHO Healthfest 2024 is a trade show. Due to Sales Tax laws, over-the-counter retail sales are not permitted during the show. Orders must be taken for future delivery only.

SECURITY:

The exhibit floor will be locked at all points of entry after move-in hours. However, even though SENPA provides this service, it is not liable for any loss of material by an exhibitor. We ask your cooperation in the wearing of badges at all times. If deliveries or pick-ups of any kind are to be made prior to, during, or after the show, you must obtain the necessary paperwork/credentials for these people to gain access to the hall.

SHARING BOOTHS:

The only companies allowed to have personnel or sales literature in a booth are those officially registered with Show Management. Subleasing or sharing of space with another business or company is not permitted unless approved by Show Management. Contact SENPA for information and forms regarding booth sharing.

STORAGE OF REFRIGERATION AND FREEZER ITEMS:

It is the responsibility of exhibitor to make arrangements for storage of refrigerated or frozen items. Contact the SOHO Healthfest Office for assistance.

SUITCASING/WORKING THE AISLES:

Only contracted exhibitors are permitted to promote their products, services or company at SOHO Healthfest 2024. Unless a marketing opportunity (i.e., Sponsorship, New Products Display, Exhibitor-sponsored seminar or event) has been contracted by the exhibitor, all company promotion and product sampling must occur within the contracted booth space. This includes, but is not limited to, "roaming" characters, handing out flyers, approaching exhibitor booths to sell products, leaving and/or distributing product information in public spaces and show floor aisles. Exhibitors found doing so will be sent back to their booth space and materials left will be recycled.

Attendees will be asked to leave the show and forfeit their badge. Any "suitcasers" should be reported to Show Management.

Show Management reserves the right to escort anyone not abiding by the rules off the show floor.

SHOW DISCOUNTS:

Show discounts for ATTENDING RETAILERS ONLY are encouraged. They definitely increase attendance by adding retailers' incentives. We respectfully request and even urge you to not offer show discounts before or after the show. Please insist the retailer has to place the order at the show to receive the offered discounts. You spend considerable money and time to attend these conventions and offering show discounts to non-attending retailers is counterproductive.

Hints for a Successful Show

Show-Only discounts work.

This is a PROVEN method of increasing attendance: promote "show-only" discounts or offerings for attendees in advance!

History shows retailers that attend the show are generally more successful.

By attending the show, they can meet with you and your representatives and see your entire line "up close and personal." The networking opportunity provided by attending trade shows is a win-win for all participants!

Please help us to help you have a successful show. Encourage retailers to come to the SOHO Healthfest. Join us in promoting the show.

Retailers enter the show for free.

Please do not offer badges to retailers with your company's name on them. That is very counterproductive. Pre-registered non-member retailers are allowed entrance to the exhibits only at no charge.

Rule Enforcement Notice & Important Deadlines

RULE ENFORCEMENT NOTICE

It is a safe bet that you are not interested in having your company highlighted in an unflattering manner on TV news or in a major magazine. Our industry has experienced many negative reports by the media. Although in such cases the strong negative bias of the interviewer shows through, the sad fact is that what they portray is not always 100% fantasy. Unfortunately, a few in our industry provide just enough examples to lend false credibility to critical stories. SENPA assumes that your company wants to be part of the solution, not part of the problem.

There is no way we can guarantee to screen out journalists with a bad attitude, or even FDA and State agents for that matter. Nor can we reasonably be expected to guarantee that every exhibit is problem-free. But you can guarantee that your booth is such a good example of what the industry proudly represents that you will take all the fun out of witch hunting.

Avoid drug-like benefit claims for supplements.

SENPA will be vigorously enforcing the exhibitor contract provision against objectionable exhibits at SOHO Healthfest. Products, literature and even whole exhibits that are objectionable by being an embarrassment to our industry will be removed. The following guidelines are examples of minimum actions required.

Resist the temptation to represent, even with pictures, benefits that are exaggerated or unsubstantiated.

Considered the most egregious and newsworthy are claims for cure or treatment of serious diseases. Example problem – “product X treats AIDS or cancer.”

Do not present a product that is marketed for something other than true health enhancing properties.

Example problem – a massive body builder who apparently got big in his sleep because of a magic pill of some kind.
Example problem – a product that would mask drug urine tests.

Review carefully for professionalism the dress of attendants and activities planned for the booth.

SENPA is excited about SOHO Healthfest and certainly wants your company to have a very successful experience financially, but we encourage you to carefully consider the long-range effects and potentially disastrous immediate public relations consequences of stretching the limits in planning your exhibit.
