

ENHANCED SAFETY PROTOCOLS FOR LIVE EVENTS

The highest standards of safety and hygiene will be applied to SENPA/SOHO events, both in the planning of the event, and it's production and management onsite.

Enhanced Cleaning:

All venues and sites where participants will gather will undergo enhanced, deep cleaning before, during and after our events.

Personal Hygiene:

Hand washing facilities and hand sanitizing stations will be provided at all hotels and venues.

Environmental Considerations:

With venue partners, SENPA will review the air filtration provided by the meeting venues' heating, ventilation and air conditioning systems.

Registration:

SENPA will employ a system that facilitates limited contact badge distribution for all participants when available.

Physical Distancing:

All events will follow local physical distancing guidelines and provide additional physically distanced seating, when space allows as needed.

Physical Contact:

Handshakes and embraces will be discouraged for those not vaccinated. Digital alternatives for printed materials will be utilized when practical.

Food & Beverage:

SENPA will work closely with venue partners to employ the highest standard of food safety.

PreCheck:

SENPA discourages attendance from participants who become symptomatic (fever, loss of sense of taste or smell, nausea, etc.) at any time prior to traveling to SENPA/SOHO events.

Self-Assessment Screening:

SENPA Requests Please Do Not Enter

- 1 If you are experiencing these symptoms:
 - Fever

GREEN

I'm here for high-fives and handshakes!

*with plenty of hand sanitizer of course!

YELLOW

I'm okay with talking but don't get too close.

RED

I'm keeping my distance with a smile and a wave.
