SUITCASING/WORKING THE AISLES:

Only contracted exhibitors are permitted to promote their products, services or company at SOHO Healthfest 2025. Unless a marketing opportunity (i.e., Sponsorship, New Products Display, Exhibitor-sponsored seminar or event) has been contracted by the exhibitor, all company promotion and product sampling must occur within the contracted booth space. This includes, but is not limited to, "roaming" characters, handing out flyers, approaching exhibitor booths to sell products, leaving and/or distributing product information in public spaces and show floor aisles. Exhibitors found doing so will be sent back to their booth space and materials left will be recycled.

Attendees will be asked to leave the show and forfeit their badge. Any "suitcasers" should be reported to Show Management.

Show Management reserves the right to escort anyone not abiding by the rules off the show floor.

SHOW DISCOUNTS:

Show discounts for ATTENDING RETAILERS ONLY are encouraged. They definitely increase attendance by adding retailers' incentives. We respectfully request and even urge you to not offer show discounts before or after the show. Please insist the retailer has to place the order at the show to receive the offered discounts. You spend considerable money and time to attend these conventions and offering show discounts to non-attending retailers is counterproductive.

Hints for a Successful Show

Show-Only discounts work.

This is a PROVEN method of increasing attendance: promote "show-only" discounts or offerings for attendees in advance!

History shows retailers that attend the show are generally more successful.

By attending the show, they can meet with you and your representatives and see your entire line "up close and personal." The networking opportunity provided by attending trade shows is a win-win for all participants!

Please help us to help you have a successful show. Encourage retailers to come to the SOHO Healthfest. Join us in promoting the show.

Retailers enter the show for free.

Please do not offer badges to retailers with your company's name on them. That is very counterproductive. Pre-registered non-member retailers are allowed entrance to the exhibits only at no charge.

These Rules and Regulations have been drawn up for the purpose of providing a well-balanced, well-regulated, attractive and successful SOHO Healthfest in an effort to provide the greatest good to the greatest numbers. 16. FORCE MAJEURE:

SENPA shall not be liable for delay or failure of performance with respect to this subscription caused by an Act of God, action by any government or quasi-governmental entity, fire, flood, insurrection, riot, explosion, embargo, terrorist attacks, strikes whether legal or illegal, labor or material shortage, transportation interruption of any kind, work slowdown, or any condition beyond the control of the SENPA ("Force Majeure Events") which, in SENPA's reasonable judgment, would make it commercially impracticable for either party or its members to perform their obligations. In such event, SENPA shall be entitled to retain such portion of the Contract Price as required to compensate SENPA for expenses incurred up to the time of the Force Majeure Event.

17. MUSIC, PHOTOGRAPHS, PUBLIC ADDRESS SYSTEMS, AND ANY COPYRIGHTED MATERIAL:

All other issues should also be reported directly to the show management as soon as possible during the convention.

28. FALSE, MISLEADING OR DISPARAGING LITERATURE AND/OR PRODUCTS:

Show Management reserves the right to request that signs, catalogs, souvenirs and literature be submitted for review prior to accepting this application or prior to booth set-up. SENPA is committed to producing a trade show that represents all segments of the health food/natural products industry. Rule Enforcement Notice & Important Deadlines

RULE ENFORCEMENT NOTICE

It is a safe bet that you are not interested in having your company highlighted in an unflattering manner on TV news or in a major magazine. Our industry has experienced many negative reports by the media. Although in such cases the strong negative bias of the interviewer shows through, the sad fact is that what they portray is not always 100% fantasy. Unfortunately, a few in our industry provide just enough examples to lend false credibility to critical stories. SENPA assumes that your company wants to be part of the solution, not part of the problem.

There is no way we can guarantee to screen out journalists with a bad attitude, or even FDA and State agents for that matter. Nor can we reasonably be expected to guarantee that every exhibit is problem-free. But you can guarantee that your booth is such a good example of what the industry proudly represents that you will take all the fun out of witch hunting.

Avoid drug-like benefit claims for supplements.

SENPA will be vigorously enforcing the exhibitor contract provision against objectionable exhibits at SOHO Healthfest. Products, literature and even whole exhibits that are objectionable by being an embarrassment to our industry will be removed. The following guidelines are examples of minimum actions required.

Resist the temptation to represent, even with pictures, benefits that are exaggerated or unsubstantiated.

Considered the most egregious and newsworthy are claims for cure or treatment of serious diseases. Example problem – “product X treats AIDS or cancer.”

Do not present a product that is marketed for something other than true health enhancing properties.

Example problem – a massive body builder who apparently got big in his sleep because of a magic pill of some kind.
Example problem – a product that would mask drug urine tests.

Review carefully for professionalism the dress of attendants and activities planned for the booth.

SENPA is excited about SOHO Healthfest and certainly wants your company to have a very successful experience financially, but we encourage you to carefully consider the long-range effects and potentially disastrous immediate public relations consequences of stretching the limits in planning your exhibit.
